

WE ARE LOOKING FOR INTERNS IN COMMUNICATION AND WEBMARKETING

Organization: Water Inception

Our non-profit association's mission is to raise awareness of the global water crisis, as well as to fund and deploy machines capable of generating drinking water from air humidity, for people facing water scarcity, such as refugees living in camps.

We are looking for a proactive intern to help us mainly with :

- Fundraising with corporate/foundations sponsors
- Creating content for social networks and the website
- Writing and contact with the press and media
- Doing market research
- Searching for partnerships

The internship will be more relevant to a person who wants to learn about:

- Webmarketing
- PR and Communication
- Fundraising
- Social entrepreneurship

Getting Started: As soon as possible

Duration: Minimum 3 months

Working mode: Work from home possible. Task oriented.

Salary : We are sorry it's an unpaid internship BUT we will reward you financially if you help us find sponsors or grants.

Do you want to make this world a better place?
